

Club Rebuilding and Reactivation

Club Rebuilding

When a club has not been terminated and still has an active Lions Club sponsor, but has no active membership, no projects reported in the My Lion portal, and no dues settled but there is an intention to make the club active again that club should undergo **Leo Club Rebuilding**.

Mandatory requirements for the Leo club Re-building,

- Minimum 20 members should be in the Leo club.
- Active participation of the club members in the General meeting (At least 50% of the membership)
- Active participation of the executive members in the Board meeting.
- Settle all the membership dues to the District account.
- Active participation for the District Events.
- Reporting minimum 01 project in the My Lion portal.

Club Reactivation

When a club has been terminated and there is no Lions Club available to sponsor it, but there is an intention to make the club active again, it should be categorized under **Leo Club Reactivation**.

Mandatory requirements for the Leo club Re-activation,

- An active Lion club should have to agree to sponsor the particular Leo club.
- A Leo club advisor should have to be appointed from the Lion club.
- After filling the 72 form , sponsoring lions club should have to send it to the Lions International.
- Minimum 20 members should be in the Leo club.
- Active participation for the general meetings and the board meetings with at least 50% of the membership count.
- Settle all the membership dues to the District account.
- Active participation for the District Events.
- Reporting minimum 01 project in the My Lion portal.
