

# Planning and Time Management

Leos of Sri Lanka  
& Maldives  
► INSPIRING LIVES

# Why Planning Matters

- Aligns vision with action
- Optimizes resources and time
- Reduces risk & surprises

# The Planning Cycle

- Define goals
- Analyze current situation
- Develop strategy
- Implement & monitor
- Review & adjust

# SMART Goals

- Specific
- Measurable
- Achievable
- Relevant
- Time-bound

# The Value of Time

24 hours = 1,440 minutes  
Why every minute matters

# Common Time Wasters

- Procrastination
- Multitasking pitfalls
- Poor prioritization

## Useful Apps & Templates

- Google Calendar, Trello, Notion
- Printable planners and checklists

# Monitoring & Adjusting

- Weekly reviews
- Progress tracking and course correction

# Planning a Leo Event Example

- Timeline from idea → execution
- Assigning roles & deadlines
- Balancing club activities with studies/work

# Thank You
