The role of sponsoring the LEO Club

The sponsoring Lions club is responsible for guiding and counseling its Leo club. By working closely with Leos, Lions ensure that their sponsored Leo club operates within and benefits from the policies of Lions Clubs International. The Leo club advisor plays a key role in this responsibility,

1. The sponsoring Lions club is responsible for the organization, supervision and guidance of the Leo club, which is certified and recognized by Lions Clubs International.
2. Leo clubs will only be recognized by Lions Clubs International if sponsored by a Lions club.
3. Leo clubs should be sponsored by a Lions club within the same Lions district.
4. More than one Lions club may choose to sponsor a Leo club; however, one Lions club is designated as the primary liaison with LCI.
5. Even if a school-based Leo club must select a faculty advisor, a Lion from the sponsoring Lions club should still be appointed as the co-advisor reported to LCI HQ and be actively engaged in the work of the Leo club.
